SPAG	I am trialling using a new programme called Learning by Questions for homework. The children will have a login for this in their planner. The following activities should be set for the children each fortnight. If it is not working, please let me know. Thank you							
	<u>Learning by Questions</u> Grammar Terminology Revision Y1,2,3,4		<u>Learning by Questions</u> Grammar Terminology Revision Y3,4		<u>Learning by Questions</u> An activity will be set following the monitoring of the results from previous homework		<u>Learning by Questions</u> An activity will be set following the monitoring of the results from previous homework	
Maths	Times tables are used in most units of mathematics learning, therefore you must continue to practice them regularly at home, There is a battle of the bands set up between Y5 and Y6 on TTRS - please play as much as you can to help Y5 to victory!							
Project (optional)	<u>Project- Science: Earth and Space</u> Take one planet! Choose one planet from our solar system. At the end of the project, you will teach others about your chosen planet. You can do this in a variety of ways, here are some ideas: • Make a model of the planet • Draw a picture of the planet • Research a list of facts • Create a poster							

	This is an ongoing project and will be included as homework each week. When completed, you can send your project to: marsdens@holynameleeds.co.uk.
